

1. TITLE OF THE CERTIFICATE (ES)

Certificado de Profesionalidad de nivel 2 en
ELEM0111 MONTAJE Y MANTENIMIENTO DE SISTEMAS DOMÓTICOS E INMÓTICOS

2. TRANSLATED TITLE OF THE CERTIFICATE (EN)

Professional Certificate Level 2 in
ELEM0111 INSTALLATION AND MAINTENANCE OF HOME AND BUILDING AUTOMATION SYSTEMS
(This translation has no legal status)

3. PROFILE OF SKILLS AND COMPETENCES

The holder of this certificate will have acquired the **general competence** to install and maintain home and building automation systems, applying the techniques and procedures required for each case, fulfilling quality criteria, complying with the company's occupational and environmental risk prevention plans, and applicable regulations. This general competence is divided into the following **skills units** (UC):

- Install home and building automation systems (UC1818_2).
- Maintain home and building automation systems (UC1819_2).

The professional skills are acquired through the **learning outcomes** defined within the related Training Modules (MF):

- Installation of home and building automation systems (MF1818_2).
- Maintenance of home and building automation systems (MF1819_2).
- Practical training at the workplace in installation and maintenance of home and building automation systems (MP0414).

(See legal basis for all learning outcomes information acquired by the holder of this Certificate in each MF).

As a reference the learning outcomes include in the Practical training at the workplace that complete and reinforce the learning outcomes acquired in the other training modules, are:

- Interpret technical projects and reports, as well as collaborate in assembly and installation of all elements of the home and building automation systems.
- Collaborate in commissioning operations of a home or building automation system, based on technical documentation.
- Apply diagnosis and corrective maintenance techniques to home and building automation systems based on technical documentation.
- Take part in the company's working processes, following the rules and instructions established at the workplace.

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THIS CERTIFICATE

The holder of this certificate may work in the areas of installation and maintenance of electrical installations. The holder may also work in the home and building automation sector, in installation and maintenance of home and building automation equipment and systems. The most pertinent occupations and positions are:

- Installer of home automation.
- Installer of building automation.
- Home and building automation Maintenance Technician.
